1894, according Sanction to the
District Fund Budget estimates of
Kadur Circle for the year 1894—95,
I have the honor to point out
the omission therein of the
marginally noted roads, which
were hitherto maintained from
District Funds at a cost of Rs 12,390

+ In para 2 of the Boards
Proceedings

Proceedings of the 29th January 1894, it is proposed to transfer these roads to the Provincial Budget but this budget which has already to pay no less than a Sum of Rs: 3,18,000 for the maintenance of roads, is not in a position to bear the further charge proposed. Moreover, the budget has already been completed and submitted to Government, and no alteration can now be made therein. It is therefore suggested for the consideration of Government whether the necessary allotments for the roads in question cannot be given from Local Funds General if District Funds are unable to bear the charge.

III. Early orders are solicited.

The Executive Engineer Kadur Division

Division will be directed to attend to these roads as usual, pending the allotment of funds.
